MONETT, Mo., June 23, 2021 /PRNewswire/ -- Jack Henry & Associates, Inc.[®] (NASDAQ: JKHY) is a leading provider of technology solutions and payment processing services primarily for the financial services industry. Today, the company announced that Chris King has been named chief sales and marketing officer following the retirement of Steve Tomson.

Most recently, King served as vice president of NCR's Global Financial Sales channel. We are confident his financial services experience will assist us in strengthening partnerships and helping our clients innovate, grow, and compete successfully. As we welcome Chris to the team, I also want to thank Steve for his more than 15 years of outstanding service to our company. We are a much better sales and marketing organization today than we were just a few years ago because of the intense focus and leadership provided by Steve. Although we are sad to see him go, we know he has more than earned the opportunity to enjoy a little slower pace."
