

Jack Henry Announces Fiscal 2026 Fourth Quarter and Full-Year Deconversion Revenue Results

August 11, 2026

MONETT, Mo., Aug. 11, 2026 /PRNewswire/ -- Jack Henry & Associates, Inc.[®] (Nasdaq: JKHY) announced today that deconversion revenue for the fiscal fourth quarter, ended June 30, 2026, was \$9.3 million. Including these quarterly results, the deconversion revenue total for fiscal year 2026 is \$42.8 million. For more information about how guidance is developed for deconversion revenue estimates, please see Jack Henry's Current Report on Form 8-K filed with the Securities and Exchange Commission on Aug. 3, 2023.

The majority of deconversion revenue is generated when one of Jack Henry's clients agrees to be acquired by another financial institution, resulting in the termination of the client's contract with Jack Henry. In these circumstances, Jack Henry's recognition of deconversion revenue is driven by factors outside Jack Henry's control, and this revenue does not represent the true operations of Jack Henry's ongoing business of providing services to clients. As a result, Jack Henry excludes deconversion revenue from non-GAAP revenue reported in its quarterly and annual earnings releases.
