Jack Henry Named One of America's Best Companies in Forbes Ranking

November 16, 2026

Financial technology company recognized for second consecutive year in national ranking

MONETT, Mo., Nov. 16, 2026 /PRNewswire/ -- Jack Henry® (Nasdaq: JKHY) has been included in Forbes' 2027 Best Companies in America list, ranking 179 out of 500 top-performing companies. This marks the second consecutive year Jack Henry has received this prestigious recognition.

To compile the list, Forbes partnered with research companies Glassdoor, HundredX, Crunchbase, Signal AI, and others, to evaluate more than 120 metrics across 12 categories, including employee sentiment, financial performance, business trajectory, cybersecurity, sustainability, workforce diversity, customer sentiment, and more.

"We're honored to once again be recognized by Forbes as one of America's Best Companies," said Jack Henry President and CEO Greg Adelson. "Receiving this distinction for the second consecutive year reflects the strength of our strategy, the dedication of our associates, and our unwavering commitment to our clients. As we continue to grow and evolve, we remain focused on creating a work environment where talented people can succeed, innovation can flourish, and exceptional experiences are delivered to those we serve."

The ranking involved assessing companies with a headquarters in the United States, or foreign companies with a U.S. headquarters, that employ more than 5,000 people. This list excludes colleges and school districts as well as government offices and charitable organizations. More details on the methodology can be found here.

Jack Henry was also among a total of 750 companies included on America's Best-in-State-Companies list, ranking 8 in Missouri. Compiled by Forbes, this list recognizes organizations that display strong customer service, employee retention, and growth. Additional details, including methodology, can be found here.
