With respect to derivative actions, Section 145(b) of the DGCL provides in relevant part that "[a] corporation shall have power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the . . . Section 102(b)(7) of the DGCL provides, generally, that "[a] provision eliminating or limiting the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that such provision shall not eliminate or limit the liability of a director: (i) For any breach of the director's duty of loyalty to the corporation or its stockholders; (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (iii) under § 174 of this title; or (iv) for any transaction from which the director derived an improper personal benefit. No such provision shall eliminate or limit the liability of a director for any act or omission occurring prior to the date when such provision becomes effective."

The Corporation has entered into indemnification agreements with its directors and officers. Pursuant to such agreements, the Corporation will, to the extent permitted by applicable law, indemnify such persons against all expenses incurred in connection with the defense or settlement of any proceeding brought against them by reason of the fact that they were directors or officers of the Corporation.

Item 8. Exhibits.

The Exhibits listed on the accompanying Index to Exhibits are filed as part hereof, or incorporated by reference into, this Registration Statement. (See Exhibit Index below).

Item 9. Undertakings.

A. The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided, however, that paragraphs (A)(1)(i) and (A)(1)(ii) do not apply if the Registration Statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange

Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Re: Registration Statement on Form S-8

Ladies and Gentlemen:

We have acted as counsel to Jack Henry & Associates, Inc., a Delaware corporation (the "Company"). The Company has requested that we issue this legal opinion in connection with the filing of the registration statement on Form S-8 (the "Registration Statement") to be filed on or about the date hereof by the Company with the Securities and Exchange Commission under the Securities Act of 1933, as amended (the "Act"), and regulations promulgated thereunder.

The Registration Statement relates to the registration under the Act of 3,000,000 shares of the Company's common stock, \$0.01 par value (the "Common Shares"), to be issued pursuant to the Jack Henry & Associates, Inc. 2015 Equity Incentive Plan (the "Plan").

As the basis for the opinions hereinafter expressed, we have examined the Registration Statement, the Plan, the Restated Certificate of Incorporation of the Company and the Restated and Amended Bylaws of the Company. We also have examined the originals, or duplicates or certified or conformed copies, of such records, agreements, documents and other instruments and have made such other investigations as we have deemed relevant and necessary in connection with the opinions hereinafter set forth. As to questions of fact material to this opinion, we have relied upon certificates or comparable documents of public officials and of officers and representatives of the Company.

In our examination, we have assumed the genuineness of all signatures, the legal capacity and competency of all natural persons, the accuracy and completeness of all documents submitted to us, the authenticity of all documents submitted to us as originals and the conformity to original documents of all documents submitted to us as copies. We have assumed that the Registration Statement has been declared effective under the Act. Based upon the foregoing and subject to the limitations and assumptions set forth herein, we are of the opinion that if and when such Common Shares are issued in the manner permitted by the Plan and against consideration therefor in an amount per share equal to or greater than the par value per share:

1. Such Common Shares will be validly issued, fully paid and non-assessable.

Our opinion is subject to (i) the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors' rights generally, (ii) general equitable principles (whether considered in a proceeding in equity or at law), and (iii) an implied covenant of good faith and fair dealing.

The opinions expressed in this letter are limited in all respects to the Delaware General Corporation Law ("DGCL"), and expressly exclude federal law and state securities laws. This opinion is limited to the effect of the current state of the DGCL and the facts as they currently exist. We assume no obligation to revise or supplement this opinion in the event of future changes in such law or the interpretations thereof or such facts.

We hereby consent to the filing of this letter as an exhibit to the Registration Statement. In giving this consent, we do not admit that we are within the category of persons whose consent is required by Section 7 of the Act or other rules and regulations of the Securities and Exchange Commission issued thereunder.

Respectfully submitted,
