Jack Henry & Associates and Ensenta Corporation Complete Acquisition Transaction

- Acquisition further expands competitive position in payments industry -

MONETT, MO. - December 21, 2017 - Jack Henry & Associates, Inc.[®] (NASDAQ:JKHY) is a leading provider of technology solutions and payment processing services primarily for the financial services industry. Today the company announced that it acquired Ensenta Corporation, a California-based provider of real-time, cloud-based solutions for mobile and online payments and deposits. Upon closing of the transaction, which was subject to regulatory approvals and customary closing conditions, Jack Henry & Associates purchased all of the equity of Ensenta for a price of approximately \$130 million which was partially funded by a draw on Jack Henry & Associates' revolving credit facility. Ensenta has an annualized revenue run rate of approximately \$27 million and is expected to be slightly accretive in the current fiscal year.

Ensenta joins Jack Henry & Associates as part of the JHA Payment Solutions™ group. Effective with this acquisition, Jack Henry & Associates becomes the leading provider of consumer remote deposit capture services, supporting approximately 2,300 financial institutions. This acquisition also expands the company's ability to conduct real-time transactions with third-party platforms, extending its presence in the credit union market through shared branching technology. The technology acquired will complement and enhance the solutions provided by Jack Henry & Associates' ProfitStars[®] Enterprise Payment Solutions™ (EPS) group, offering additional risk management tools for mobile remote deposit, expanded payment options for small businesses, and entry into government payment processing.

According to Greg Adelson, general manager of JHA Payment Solutions, "This acquisition is a testament to Jack Henry & Associates' continued commitment to provide the best payment solutions available today. The technology gained through this acquisition will expand the suite of solutions offered by our Enterprise Payment Solutions group, enhance cross-sell opportunities both inside and outside our customer base, and introduce new growth opportunities for our clients and their commercial customers. We're pleased to have Ensenta join our team and look forward to further strengthening our electronic payments offering."

Ensenta was founded in 2001 in Silicon Valley and grew to support financial institutions and government agencies with patented technologies across ATM, mobile, online desktop, merchant, and branch channels. Its Smarter & Safer™ real time SaaS payment technologies are proven to mitigate risk, minimize compliance exposure, increase back office efficiencies and improve funds availability. The company's technology has received industry accolades, including two XCelent awards by Celent and a TAG Fintech ADVANCE Award by the Technology Association of Georgia.
