Jack Henry & Associates Receives NASDAQ Letter

MONETT, Mo., May 22, 2015 /PRNewswire/ -- Jack Henry & Associates, Inc. (NASDAQ: JKHY), a leading provider of technology solutions and payment processing services primarily for the financial services industry, today announced that, as anticipated, it has received a letter from the Listing Qualifications Department of The NASDAQ Stock Market LLC ("NASDAQ") notifying the Company of its noncompliance with NASDAQ Listing Rule 5250(c)(1) as a result of the Company's filing of a Notification of Late Filing on Form 12b-25 on May 11, 2015. In the Form 12b-25, the Company indicated that the filing of its Quarterly Report on Form 10-Q for the three months ended March 31, 2015 (the "Form 10-Q") will be delayed until after the completion of a restatement of the Company's previously-filed financial statements included in the Company's Form 10-K for the fiscal year ended June 30, 2014 and in its Form 10-Q for the period ended September 30, 2014.

Previously, the NASDAQ had granted the Company an exception until June 30, 2015 to file its delinquent Form 10-Q for the period ended December 31, 2014. As a result of this additional delinquency, the NASDAQ letter notes that the Company is required to submit by June 3, 2015 an update to its original plan to regain compliance with NASDAQ's filing requirements for continued listing.

The Company's management and its independent registered accounting firm, Deloitte & Touche LLP, continue to work diligently to complete the restated financial statements, and the Company intends to regain compliance with the NASDAQ's filing requirements.

The Company expects to file its Quarterly Report on Form 10-Q for the three months ended December 31, 2014 and March 31, 2015 as soon as practicable. The Company presently expects that the filings will be made by June 30, 2015.
